The Son of Jesse the Bethlehemite

MODERN TOWER CHIMES

(Played by Organist from Electric Keyboard)

Inventive genius has made the operation of Modern Tower Chimes as simple and easy as picking out a tune with one finger on the piano. The tone—round, full and velvety—is fully controlled by electrically operated striking actions and dampers which latter prevent all tone intermingling. Cost is moderate. Concerted action will enable US to have Chimes ringing by NEXT Christmas.

THE MEMORIAL SUBLIME

To persons of affluence these modern Chimes present the one most fitting and enduring form of Memorial. Inquiry addressed to J. C. Deagan, Inc., 279 Deagan Building, Chicago (to whom we are indebted for these folders) will bring, without obligation, full information including attractive Memorial Booklet.
